

The crocodile and the human

There was a crocodile

And another

And
another

Do not worry
about that!

Because i will only tell you
about the 1 crocodile ok i
will

There was a crocodile and you oh do you remember that there was a bunch maybe

100 or 49 or 20 or 2 well 2 isn't a bunch

Ok to the
story

The ok I do not want to say it again will it found a alien and the alien fell in a

hole and **you were walking in**

the kitchen and you fell in

it too and he ate you **the end**
